ADP TotalSource Enters California

***Professional Employer Organization Continues National Growth
With Opening of 7 Offices in the State***

MIAMI, Jan. 23, 2006 – ADP TotalSource, Inc., part of ADP’s Employer Services division and one of the nation’s largest Professional Employer Organizations (PEOs), today announced it has entered California with the opening of seven offices in Los Angeles, Orange and San Bernardino counties.

ADP TotalSource now offers its complete human resources outsourcing services to small and medium-size businesses in southern California. ADP TotalSource’s offices are located in Buena Park, Cerritos, Irvine, Long Beach, Rancho Cucamonga, Wilshire and Woodland Hills. The company currently operates 43 offices in 18 states that serve more than 5,400 client companies and 126,000 worksite employees.

“California’s abundant small and medium-size entrepreneurial businesses make it an excellent growth market for the PEO industry,” said Carlos Rodriguez, president of ADP TotalSource. “We have strong relationships with leading providers of health and welfare benefits in the state, making our offering very attractive to employers who want to provide a full suite of HR services and benefits that are necessary to attract and retain the best employees.”

ADP TotalSource Enters California 2-2-2

Rodriguez added, "We offer a proven solution to the complex human resources and administrative challenges faced by California's growing companies."

ADP TotalSource provides small and medium-size businesses with traditional and Internet-based outsourcing solutions to reduce the complexities and costs related to employment and human resources. The company's integrated employment-related services consist of human resources administration, regulatory and compliance management, safety and risk management, payroll administration, retirement plan services and employee benefits management.
